# THE HILARIOUS NEW CIRCUS SHOW FOR FAMILIES

## Burst Pipe Dreams

**Juggling, slapstick and acrobatics come together in a fun-filled, action-packed show!**

When all the rest are booked, you can rely on plumbers Dave 'n' Dave. No job is too small, no fee too large - just make sure the kettle is on and the instructions are Dave-proof! These barmy bodgers will be sure to look busy whenever you're around. But when they get to work, chaos ensues...

**Burst Pipe Dreams** is 45 blissful minutes of family entertainment from a seasoned comedy duo. Inspired by Jackie Chan's use of everyday items in his comic fight scenes, this charming show uses plumbers' tools and household objects in a witty display of slapstick, acrobatics and expert juggling.

With plenty of audience interaction (and even participation!) **Burst Pipe Dreams** will have you gasping, laughing and wanting more.
